

THE TRADITION CONTINUES...

Some years ago WDCC members created angel figurines to sell for the holidays. In 2014 that project was rekindled by the production of angel ornaments. Proceeds from these sales will be added to the Member Memorial Scholarship Fund honoring deceased members, our "WDCC Angels...Inspiring Educational Opportunities".

This third ornament in the limited edition series depicts a singing angel. Our fourth edition will feature new angel designs. These lovely angels will remind you of your own special angels watching over you.
